Respondents

O R D E R

WHEREAS the Applicant, by petition under date April 22nd, 1930, applied for the approval and permission of this Commission for the construction and operation of its proposed initial development at Rapide Blanc for the production of light, heat and power, in accordance with the provisions of section 28, chapter 17, of the Revised Statutes of Quebec, as amended by the Act 16, George V, chapter 16;

WHEREAS notice of the presentation of said petition was given to all interested parties;

WHEREAS the said petition was heard by the Commission at a public sitting in the City of Quebec, on the 27th of May, 1930;

WHEREAS no objection was made to the granting of said petition; conditional however upon its being granted subject to the works which the Government of the Province might prescribe under an order-in-council in this connection, of the 16th of April, 1930;

WHEREAS it has been demonstrated to this

-2-

Commission that the construction and operation of the above specified development are necessary or convenient for the public benefit;

THE COMMISSION hereby approves and permits the construction of the said development and its operation, after completion, subject to the condition hereinabove mentioned as to the works which the Gouvernement of the Province might prescribe under an order-in-council of the 16th of April 1930.

Quebec, June 3rd., 1930.
